And we should build a first class building, one that would all of the city and county offices.

To Mayor Fern the credit belongs for starting the agitation originally in favor of a City Hall, for it has been a pet theme with him, and he is strongly in favor of erecting a substantial munic ipal building in which all of the city and county offices can be located. At the present time, however, he does not wish to talk on the subject.

Governor Frear favors the gore lo site for a city building, stating that it would contribute to the civic center in that part of the city. He maintains that it would be in a central location The Governor and Superintendent Campbell have full power when it
